Dear Jim:

Thanks for getting back to me yesterday. As per your request, my resume is enclosed.

While it is not on the resume, I was the editorial typesetter for the *Welcomat* (now *Philadelphia Weekly*) for five years, first working with a Microtek typesetter, than MS Word and Quark on various MACS. Eventually we switched to scanning as much copy as possible which I did along with cleaning up the text as the scans were rarely 100% accurate.

All I ask is that you keep me in mind for any possible work. I will be happy to discuss this with you further.

Once again, thanks for your consideration.

Sincerely,

Peter Brown
